The Alkimos offers a versatile living space designed to cater to the needs of every family member. Its central open living area serves as the focal point of the home, seamlessly connecting to a spacious outdoor alfresco area, creating an ideal setting for both indoor gatherings and outdoor entertainment. This layout provides a harmonious blend of comfort and functionality for residents.

The home features four bedrooms, including a luxurious master suite with a conveniently located study, a theatre room, and an activity area, enhancing the entertainment options.

The impressive family, kitchen, and living area, complete with a scullery, is the highlight of the home, while the alfresco area complements the outdoor space, offering a seamless transition between indoor and outdoor living for relaxation and social gatherings.
