

The Amity presents itself as an expansive and meticulously designed four-bedroom, three-bathroom residence, offering a sophisticated internal layout tailored to meet the needs of families of diverse sizes and compositions. This thoughtfully crafted home design exudes a sense of elegance and practicality, ensuring a harmonious living experience for its occupants.

Within the confines of The Amity, residents are greeted by a master suite that serves as a sanctuary of comfort and luxury, complemented by a guest suite featuring a dedicated sitting area for added privacy and relaxation. The inclusion of a home theatre provides an ideal space for entertainment and leisure, while a scullery enhances the functionality of the kitchen area. The family living and dining areas offer ample room for gatherings and everyday activities, seamlessly connecting indoor and outdoor spaces through an inviting alfresco area.
