THE CANTERBURY

This classic provincial inspired home with our own contemporary twist showcases an expansive corner verandah, including decorative fretwork and mouldings reflecting the style and charm of this home.

This 4 bedroom, 2 bathroom home has features aplenty from the decorative entry door to the spacious Master Suite full of natural light giving this room a calming and relaxing feel. Character features including the federation light switches, ceiling rose with an ornate glass pendant and claw foot bath on a heritage tiled podium deliver an ambient feel to the home.

The kitchen is rich with character, featuring charcoal feature shaker cabinetry, fluted glass pendant lights, ornate cabinetry handles, a curved stone island bench and an elegant stone marble herringbone splashback.

The interior colour scheme throughout is cohesive with elements of charcoal, oak, white marble, chrome and linen keeping this home sophisticated and stylish. Designed to maximise natural light, the Canterbury exudes a relaxing atmosphere. With spacious bedrooms, a cosy theatre room and a chef grade kitchen, this home deserves an in person experience.
