THE TRIBECA | 9 Featherflower Entrance Piara Waters

Discover the perfect fusion of vintage flair and modern elegance in our retro 'Tribeca' display home featuring boutique accents.

Bold patterns and retro charm of the 1970s mix with contemporary & sophisticated design elements bring this design into the modern times.

The result is a home that feels both vintage yet fresh, where groovy patterns meet high-end comforts, creating an atmosphere that's both nostalgic yet fresh.

Thoughtfully curated boutique details like bespoke brushed brass feature lighting, custom textiles & plush furniture all in keeping with a vintage palette of rust, black, muted green & caramel tones flow smoothly throughout this home.

Whether you're lounging in the spacious light filled open plan living areas, cooking in a chic modern kitchen, or unwinding in the stylish master bedroom overlooking the alfresco & gardens, this home invites you to experience the best of both worlds: a tribute to the past blended with the luxury of today!
