

THE GEELONG

The Geelong epitomises modern living with its well-appointed three-bedroom, two-bathroom layout. This residence exudes a sense of contemporary elegance, offering a harmonious blend of functionality and style. The master suite, strategically located at the rear of the home, provides a tranquil retreat for residents seeking privacy and relaxation. Adjacent to the master suite, the expansive alfresco area beckons residents to enjoy serene moments, whether savoring a morning cup of coffee or unwinding with an evening nightcap.

In addition to the master suite, The Geelong features two well-proportioned bedrooms that offer ample space and comfort for family members or guests. Each bedroom is thoughtfully designed to provide a peaceful sanctuary, ensuring a restful night's sleep and a rejuvenating start to the day. The seamless flow between the indoor and outdoor spaces enhances the overall living experience, creating a sense of connectivity and openness throughout the home.

Furthermore, the large alfresco area serves as an extension of the living space, inviting residents to embrace the beauty of outdoor living and entertainment.
